

DEVICE 3: CAUSING US TO THINK SIN IS NOT SERIOUS

Satan says, "Why not do it? It's just a little sin. It doesn't really make any difference at all." As Lot said of Zoar, "It is but a little one, and my soul shall live" (Gen. 19:20).

Remedy 1 – Remember that the Bible teaches us that even small sins invite God's wrath [Galatians 3:10]. Here are a few examples: Eating a piece of fruit; gathering a few sticks on the Sabbath; touching the ark.

Remedy 2 – Committing the sins that are called little sins is a gateway to more devastating sins [Matthew 5:19].

Remedy 3 – Ask yourself, "Why risk your soul for something that means so little to you?" [Matthew 16:26]

Remedy 4 – Tell yourself that even the smallest sins cause terrible danger. [Luke 16:10]

Remedy 5 – Remember saints who have come before you who endured greater hardships than you have experienced. They did this to avoid committing what you might call a little sin [Hebrews 12:1-3]. So, while the world may think of it as a little sin, they didn't. Daniel's companions chose to burn, instead of eating delicious food. Daniel himself refused to bow down to a statue of the king, and he was given over to lions as food for them to eat.

Remedy 6 – Keep your mind focused on the fact that the guilt of even one sin makes a person unable to stand under its weight. Even a single "small" sin will sink a sinner to the depths of Hell. Think of how small the gnats and lice were that tormented Pharaoh, causing him to say, "This is the finger of God" (Exodus 8:16; 10:19).

Remedy 7 – Don't be confused about this, there is more pure evil in the smallest sin than there is in the greatest affliction. This is why Jesus had to suffer so greatly on the cross, to pay the price of sin.
